

**Kimberly J. Becker**  
President/CEO

Kimberly J. Becker was appointed President/CEO of the San Diego County Regional Airport Authority on May 1, 2017. She brings with her nearly 30 years of experience in the aviation industry.

As President/CEO, Ms. Becker is responsible for management oversight of the Airport Authority and San Diego International Airport (SAN). This includes the Airport Authority's annual operating budget and five-year capital budget. According to the most recent economic impact study, SAN generates about \$10 billion annually in economic impact for the region.

Ms. Becker served as Director of Aviation for Mineta San Jose International Airport from 2013-2017, and held increasingly responsible positions at that airport since 1995, including Chief Operating Officer and Assistant Director of Aviation. Her career in aviation and airport management also has included operations and environmental positions at Lockheed Air Terminal in Burbank, Calif., and Teterboro Airport in New Jersey.

Ms. Becker has served as President of the California Airports Council representing 33 Commercial Service Airports across the state and is on the Board of Directors for the SW Chapter of the American Association of Airport Executives. She previously served on the Board of Directors of the San Jose Silicon Valley Chamber of Commerce, Joint Venture Silicon Valley and on the Advisory Board for San Jose State University's Aviation Program.

Ms. Becker holds a bachelor's degree in business administration from Indiana University of Pennsylvania, and a master's degree in business administration/aeronautics from Embry-Riddle Aeronautical University in Daytona Beach, Florida.
